

California Breeze Uniform Information

At the beginning of each season, you will receive a uniform for your daughter. Uniforms & numbers are issued based on availability of sizes in stock. The younger teams need the smaller sizes. The older teams are issued mediums and larger sizes. Keep in mind that players wearing shirts and or shorts that are too tight according to BREEZE standards, will be asked to turn their uniforms in for a larger size. Also, please make sure that your players keep their shorts presentable--rolling shorts a little bit, is acceptable, but it will be at the Manager's discretion to make the players wear them at a respectable length. Taping of the back of the uniform jersey or taping the sleeves is not permitted. The way you receive the uniform is the way that they are meant to be worn. **As long as you are representing the BREEZE organization by wearing the uniform, you must have it tucked in all the way around, at ALL times.** Our motto is:
Tuck it in or turn it in!!!!

If you need anything in regards to uniforms or BREEZE apparel, please contact your manager.
